Dear Sir:

Please amend the application as follows:

In the Claims:

In claim 1, line 1, replace, "change" with --chance--.

1. A method of playing and wagering on a game of chance having events comprising the steps of:
identifying at least one selected community event;
accepting wagers from one or more players on the at least one community event;
generating at least one chance event during the playing of the game of chance;
rewarding the one or more players from a prize pool should the at least one selected community event occur during the chance event, and
the step of rewarding includes basing ^{no ant} ~~the determination~~ of the reward of each player substantially as a function of ^{no ant} ~~the~~ total wagers made by all the wagering players during that game of chance that the amount of the player's wager represented.
